TERMINAL DISCLAIMER

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Petitioner, the National Research Council of Canada, Inc, is the owner of 100 percent interest in the instant application. Petitioner hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173 as shortened by any terminal disclaimer filed prior to the grant of US Patent No. 6,723,545.

US Patent No. 6,723,545 and the instant application were commonly owned at that time of invention of the subject matter claimed in the instant application. Petitioner hereby agrees that any patent so granted on the instant application shall be enforceable only for and

during such period that it and US Patent No. 6,723,545 are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, petitioner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as deemed in 35 U.S.C. 154 to 156 and 173 of US Patent No. 6,723,545, as shortened by any terminal disclaimer filed prior to the patent grant, in the event that any such patent: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

Petitioner, the National Research Council of Canada, Inc, is the owner of 100 percent interest in the instant application. Petitioner hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173 as shortened by any terminal disclaimer filed prior to the grant of US Patent No. 7,238,509.

US Patent No. 7,238,509 and the instant application were commonly owned at that time of invention of the subject matter claimed in the instant application. Petitioner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and US Patent No. 7,238,509 are commonly owned.
